A person wearing a white t-shirt and blue jeans is holding a yellow and black paint tray in their left hand and a paintbrush in their right hand. The paint tray is tilted, showing its interior. The paintbrush has a wooden handle and a metal ferrule with red and yellow bristles. The background is a plain, light gray wall.

The first line of **ANTI-GRAVITY TECHNOLOGY™** painting tools.
Allows you to transfer paint from one place to another without dripping or spilling a single drop.

Recover unused paint

No protection materials

Cuts time in half

The Non-Spill Paint Tray **PRO** With professional liner

Includes a 12" diameter plastic base and a **professional liner** with our **ANTI-GRAVITY TECHNOLOGY™**.

An adjustable strap that fits any hand size and a squeegee. Its special design allows you to clip in castle top rollers into the docking groove; it also offers 4 quick connect holes, providing options to attach different tools and accessories.

DESIGN FEATURES

- Holds up to 12oz. of paint without risk of spilling or dripping.
- Saves unused paint back to storage, using the squeegee.
- Store it in a re-sealable plastic bag and make your paint last up to three weeks without drying!
- Use it as many times you want! Clean it after use, and you are ready to go!
- Perfect for professionals and DIY painters.

Professional Liner Refill Use with The Non-Spill Paint Tray **PRO**

DESIGN FEATURES

- Switch colors instantly by switching Trays!
- Use several trays to finish your job faster!
- Rinse it with water, towel dry completely and use it again!
- Prevent your paint from drying for a few hours by placing the tray upside down.
- Saves unused paint back to storage, using the squeegee.
- Store it in a re-sealable plastic bag, and make your paint last up to three weeks without drying!
- Go Pro! Use your Professional liner refill with The Non-Spill Paint Tray **PRO & PLUS™**
- Perfect for professionals and DIY painters.

The Non-Spill Paint Tray **PLUS** With disposable liner

Disposable Liner Refill Use with The Non-Spill Paint Tray **PLUS**

Includes a 12" diameter plastic base with our **ANTI-GRAVITY TECHNOLOGY™** disposable liner.
An adjustable strap that fits any hand size and a squeegee.
Its special design allows you to install the disposable liner directly to the base.

DESIGN FEATURES

- No cleaning needed, remove the disposable liner when you're done painting!
- When the disposable liner is attached to the base, the tool can be washed in water for reuse a second time.
- For best results use a new disposable liner each time you paint.
- Store it in a re-sealable plastic bag, and make your paint last up to three days without drying.
- Holds up to 12oz. of paint without risk of spilling or dripping.
- Perfect for professionals and DIY painters.

Includes a 12.5" diameter **ANTI-GRAVITY TECHNOLOGY™** fabric, with a peel & stick system.

DESIGN FEATURES

- Easy to install disposable liner!
- Includes a re-sealable bag, to store your Non-Spill Paint Tray PLUS™, and make your paint last up to three days without drying.
- For best results use a new disposable liner each time you paint.
- When the disposable liner is attached to the base, the tool can be washed in water for reuse a second time.
- Holds up to 12oz. of paint without risk of spilling or dripping.
- Perfect for professionals and DIY painters.
